

Dear Shufflers,

Things are starting to look good for a great turnout at the 2009 Modesto Shuffleboard Tournament. For those that have been to the site and have viewed the list of expected attendees, you can see the current list of expected players that will be coming.

You can make our job easier and help ensure a more successfully run tournament if you go to http://www.computerpeas.com/tournaments_2009/attendees.htm and tell us if you will be attending or will NOT be attending (it's just a couple of mouse clicks to let us know).

If you are coming but do not wish to disclose this information at this time (some like to make surprise entrances), that is fine with us. When you go to the above link (you can also get there by going to computerpeas.com clicking the "Who's Coming" link), you can fill out the form with your name and in the comments section, simply give us any special instructions, such as, "I AM coming but please don't put my name on your public attendee list".

THANK YOU.

Sincerely,
Eddie Brayman
