

Red Dog Tournament Results

Three weeks before the annual Turkey weekend tournament at BZ's was to take place the shuffleboard players were informed that because of conflicting dates the event would not be held this year. A few conversations with Paul Roush and the tournament was back on but a week early, which was fine for most of the players. It was a fun weekend.

Still wanting to play on Thanksgiving weekend several of the dedicated players decided we could hold our own little tourney. A few phone calls and a quick flier via e-mail made it all happen.

Dee Hudson okayed play at her Red Dog Saloon, Butch Zonca created the flier, the players brought pot luck, and a new style of tournament was formulated. It's called "No Fuss".

Twenty four players signed up to play. Mel Hohn suggested an A-B draw with handicap. We don't do that kind of a format very often but it worked so well we should use it more. Keep that thinking cap on Mel, we need your ideas.

Clark Kenney & Carolyn Floyd had the winners bracket, and split with Claire Kenney & Linda Walker. Third went to Mel Hohn & Bob Von Bargaen.

What a way to kick start the holiday season. Good friends, good food, good fun, and all in one day.
