I would like to thank everyone who attended you helped make this tournament a success. A special thank you to Glen Tubbs who's hard work moving boards in and out of the lodge all too often goes unmentioned. Also Charlie Riley who spends countless hours keeping track of registrations and monies who also has been pulling double duty until recently. Keith Ellison and Glen Tubbs also did a fine job handling all the money making sure everything was counted down to the penny .I would also like to that Delaine Moore for helping with the brackets this year. What made this tournament a huge success was the amount of players who showed up in div three the most of which came from Stockton (Good job Doc)

**Sixth Annual Columbus Day Tournament**  
**St. Louis, Missouri**  
**October 6-7, 2006**

The Field Box (formerly Ulena's Sports Bar) in St. Louis, Missouri, was the setting for the Sixth Annual Columbus Day Tournament. Thanks to all those who participated. Hopefully we'll all be back again next year! As of this writing the dates, times, and place for the 7th Annual Columbus Day Tournament are not decided, but the flier will be posted as soon as those arrangements have been made.

Taking third place were the seasoned team of Pat Marshall and Frank Evelend. This winning team took first place last year. They played smart and tough throughout the tournament. Congratulations to them both for their Third Place Honors. Also, thanks to Frank for donating his winnings to our newly formed [St. Louis Shuffleboard Player's Association \(SLSPA\)](#).

Coming in second place was the first time pairing of Doug Schmaltz and Fred Love. They displayed some fine skills and patience in working their way through the tournament. Congratulations to them both for their Second Place Honors.

Coming in first were the brother team of Jerry and Larry Romay. They took second place the year before and played well throughout this year's tournament. Congratulations to Jerry and Larry for their Championship Honors.

There was a lot of strong shooting. It was fun and exciting to watch these competitors shooting so well and to see all the participants enjoying the camaraderie and good sportsmanship. I'd like to extend a special thanks to Jill Romay, Jerry Romay, Steve Sheridan, Mike Polson, Ellie Coleman, and Norma Young for their valuable contributions and assistance.
