Joe's Headache

Joe was moderately successful in the career, but as he got older he was increasingly hampered by incredible headaches. When his personal hygiene and love life started to suffer, he sought medical help. After being referred from one specialist to another, he finally came across a doctor who solved the problem. "The good news is I can cure your headaches. . ."

"The bad news is that it will require castration. You have a very rare condition which causes your testicles to press up against the base of your spine. The pressure creates one hell of a headache. The only way to relieve the pressure is to remove the testicles." Joe was shocked and depressed. He wondered if he has anything to live for. He couldn't concentrate long enough to answer, but decided he had no choice but to go under the knife. When he left the hospital, his mind was clear, but he felt like he was missing an important part of himself. As he walked down the street, he realized that he felt like a different person. He could make a new beginning and live a new life.

He walked past a men's clothing store and thought, "That's what I need: a new suit." He entered the shop and told the salesman, "I'd like a new suit." The salesman eyed him briefly and said, "Let's see . . .size 44 long." Joe laughed, "That's right, how did you know?" "It's my job."

Joe tried on the suit. It fit perfectly. As Joe admired himself in the mirror, the salesman asked, "How about a new shirt?" Joe thought for a moment and then said, "Sure . . ." The salesman eyed Joe and said, "Let's see. . .34 sleeve and . . . 16 and a half neck" Joe was surprised, "That's right, how did you know?" "It's my job."

Joe tried on the shirt, and it fit perfectly. As Joe adjusted the collar in the mirror, the salesman asked, "How about new shoes?" Joe was on a roll and said, "Sure . . ." The salesman eyed Joe's feet and said, "Let's see. . .9 and a half. . .wide." Joe was astonished, "That's right, how did you know?" "It's my job."

Joe tried on the shoes and they fit perfectly. Joe walked comfortably around the shop and the salesman asked, "How about a new hat?" Without hesitating, Joe said, "Sure . . ." The salesman eyed Joe's head and said, "Let's see. . .7 5/8." Joe was incredulous, "That's right, how did you know?" "It's my job."

The hat fit perfectly. Joe was feeling great, when the salesman asked, "How about some new underwear?" Joe thought for a second and said, "Sure . . ." The salesman stepped back, eyed Joe's waist and said,

"Let's see. . . size 36." Joe laughed, "No, I've worn size 34 since I was 18 years old."

The salesman shook his head, "You can't wear a size 34. It would press your testicles up against the base of your spine and give you one hell of a headache."

2nd Annual All Missouri 6 Person City vs. City Shootout Doc's Shuffle Inn Stockton, MO Mar. 31-April 1st, 2006 Reported by Craig "Doc" Bendickson

Wow what a tournament !!!!!

The second annual 6 person bring tournament was held at Doc's Shuffle Inn the weekend of April 1st. Last year everyone told me what a great tournament it was but unfortunately I was unable to attend do to other obligations. And boy were they right the tourney started Friday night and there were six teams total. We even had some new faces, a team put together by Jeff Blanchat, Rob Fisher, Dan O'Donnell and Brandon Bundy. Johnny Wright and John Blanchat were also on their team. Hope to see these new guys down the road.

I would have to say that this was one of the most enjoyable tournaments I have attended all year. The team spirit everyone had was what really made it exciting. Doc hopes to have more of Missouri represented next year. Team KC won it this year giving team St. Louis 2nd and team number #1 from Stockton 3rd place .

On a more personal note Shotzee the team mascot for KC was running in the backyard and hurt her foot again but the vet says she will be ok in a few days.

Six teams participated in this 2nd Annual All Missouri 6 Person Bring. Teams were from St. Louis, Springfield, Stockton 2 teams, Rolla, and K.C.

1st Kansas City: Mark and Barb Gray, Glen and Sandy Tubbs, Gary Ferrou, Bob Duer

2nd St. Louis: Jimmy and Donna Dunn, Mike Simpson, Jerry Romay, Robert Kasza, Wayne Cupp

3rd Stockton: Jennifer Fyre, Gary Johnson Sr., Gary Johnson Jr., Pam Bendickson, Justin Bendickson, and Craig "Doc" Bendickson

RECORD ATTENDANCE AT JOURNEY'S END SPRING 2006 1.5> by Ann Harrell

Attendance at the Friday night draw partner was an indication of things to come as 16 teams vied for the entry fee in the double elimination draw. It should have been 17 teams but bar owner Mike Koontz dropped out to make an even number and it wasn't until the board was being drawn up that Ann (Koontz) Harrell (that's me) realized that she hadn't signed her self up. D'uh!

Gary Neff from Bourbon and Jesse Lainhart from Summitville (left), finished 1st by double dipping the team of Steve "Simi" Simison and Gene Brown, both from Summitville. Last year all three events ended with double dips.

Approximately 50 different people participated from Fairmount, Bourbon, Etna Green, Warsaw, Ft. Wayne, Kokomo, Plymouth and Silver Lake, **Indiana**. Cincinnati, **Ohio** and Durand, **Michigan** also were represented.

THANK YOU, THANK YOU, THANK YOU!

I want to thank Shelly Skinner for stepping in and helping me with the registration. I could not have done it with out her. It was way less nerve wracking for me to have Shelly taking care of the money while I recorded things on the computer and it was also a double check that all monies were paid properly for the two events. Two heads truly are better than one. Even if it is Shelly and I <G>.

ESHUFFLEBOARD.COM SPONSOR ACKNOWLEDGEMENT

A second thank you goes out to Jeri Ingram from GI's Town Tavern. Between the singles and doubles sponsor sales, Ann Harrell of eShuffleboard.com stepped to the Karaoke machine to make a brief presentation. At the 2005 Fall Amateur Jeri and Glen Ingram made a donation to the maintenance of eShuffleboard.com. Jeri was presented a pink eShuffleboard.com t-shirt with much appreciation. As stated in the speech, "Jeri's sponsorship is priceless, but they accidentally put a 2nd shirt in the shipment which is for sale for \$15". Jeri generously purchased this matching t-shirt for third generation player and her grand daughter, Jackie Horn.

GARY NEFF YOU ARE FABULOUS!

Gary Neff did a fabulous job as usual of running the charts with Mike Koontz as his game spotter and runner. Mike kept close track of what games finished first and rounded up players for the next games and Gary kept the bracket board up to date. An amazing 88 games were played before circumstances (a person in the singles losers bracket also in the doubles losers bracket) forced an open board. A contributing factor to getting **109 out of a possible 110** games played between **1:15 PM and 2:45 AM (13.5 hours)**, besides the masterful organization, was no practice weights all day and of course, the addition of the sixth board to the usual 5 that are on hand. A third contributing factor was an almost complete absence of meetings in the middle of the board between partners in the doubles. Oh, don't get me wrong, there was plenty of chatter, but more along the lines of hollering hit it, stick it, go around it, lag it, not the "secret" meetings the pros seem to favor.

UNRATED PLAYERS TAKE TOP PLACES IN SINGLES

A record 35 people participated in the singles event, beating the old record by 4. Monty Wolf from Etna Green and Jesse Lainhart from Summitville tied for 5th/6th. Journey's End own Uriah Graham placed 4th, and Keith Spencer of the Bourbon Legion Son's placed 3rd.

We first met Cincinnati Glen Smith (left), who took 2nd place in the amateur singles, at "[The Palace](#)" in Fairmount in February 2006. He had been following events online for awhile and took the plunge after a 20 year absence from the shuffleboard circuit and visited the Palace. He and I partnered for a couple games and at the end of the day he said that the next time he played he would do "better". Apparently a man of his word, Glen won the winners bracket with borrowed weights.

Then came Tony Watson from Fairmount. Unrated Tony (right), with brother Danny, placed 3rd in a "pro" tournament at "[The Palace](#)" in March 2006. Tony powered his way through the losers bracket to face Glen Smith in the finals. Tony and Glen both played their hearts out and Tony forced a second game and then won the final game to complete two-thirds of the double dipping for this tournament.

DOUBLES BREAK RECENT HISTORY

Tony Watson took home two beer steins this weekend. He can be using one while one is waiting to be washed! With partner, Jumpin' Jack Hamilton (left), they went undefeated in the doubles event for the day.

Second place team, Jay King and Ann Harrell (right) had their hat's handed to them by Jesse Lainhart and Simi for their first defeat of the day but prevailed against them later in the evening to move on to play the all Ohio team of "the big guy" Terry Wolfrum and partner Roger Wilhelm. With the score 14-13 in favor of the Ohio team, Jay King lagged a 2 to put the game out and they advanced to the finals. Tony was still hyped up from his win in the singles and there was just no bringing them down. Tony and Jack won the first game of the

finals soundly to end another successful Journey's End Amateur 1.5>.

THE END

If you have suggestions for the next Amateur 1.5> tournament send me an email to ann@eshuffleboard.com. I'll try to get the flyers for the Fall Amateur out as soon as we can get a date nailed down. I've also ordered a laser printer so sheets can be printed faster (and cheaper). It's my hope to have some Missouri players at the next tournament!

3rd Annual Larry Hudson Memorial &
 Jim Foran Sportsman of the Year for 2006
 ABC Draw - Red Dog Saloon - Port Orchard, WA
 April 7-9, 2005
 by Michelle Foran

The awards ceremony for Jim Foran was a very classy affair. There were beautiful flowers and a matching cake with all of the trimmings. Very very nice. Many speakers took part and some that couldn't make it sent letters to be read.

Jim Foran is highly looked up to in the shuffleboard community. It was brought up by two different individuals to name the Washington sportsmanship award the [Jim Foran Sportsmanship Award](#) and was agreed by those present but must be voted on by the committee. They say that Jim Foran has set a very high standard for sportsmanship and other aspects of shuffleboard.

The format for the 3rd Annual Larry Hudson tournament was an ABC draw. We had 13 teams (39 individuals) plus spouses and guests making for a full house. The tournament was absolutely great and so much fun.

The Friday night draw was won by Mel Hohn and Chuck Anthony.
